Why Walk When You Can Ride?

Graco offers two high performance **LineDriver** attachments to connect to your LineLazer striper to double your striping productivity.

The LineDriver and **LineDriver HD** attachments provide the most innovative, user-friendly ride-on systems for the professional striping contractor.

Exclusive FlexBeam™ Break-A-Way Light System

- Fully adjustable for all types of low light applications
- Break-A-Way design helps protect against costly repairs and keeps you on the job

Patented Dual Foot Pedal System

- For forward and reverse—move between jobs without having to *PUSH!*
- Patent No. 6,883,633

Exclusive ProStart™ Engine Starting System

- Up to 50% less pulling effort to start the engine—no more broken recoils
- Outperforms manual pull and electric start systems when the weather starts turning cooler

Honda Engine

- Compact, lightweight and powerful—Honda engines are reliable, technologically advanced and easy to start
- Oil Alert shuts down engine if oil level drops too low, preventing damage
- Contractor preferred

POWERED by HONDA™
