

Maximum efficiency meets enhanced quality

M210 Label Printer

BMP21-PLUS successor

Now with pre-sized labels and even more materials to take on the toughest on-site labelling jobs. With the M210 Label Printer smart automatic formatting, all you need to do is drop in a label cartridge, type and print.

▶ **Updated name. Elevated experience.**

Design, create and print independently via an intuitive keypad. Reuse and adapt locally saved labels, and create from scratch with on-board label design wizards.

▶ **Label it once.**

Now with both pre-sized and continuous labels in 90+ cartridges, filled to the brim with reliable, tested and dedicated label materials that stay attached and remain legible on every surface and in any environment.

▶ **Tough and easy going.**

Swiftly change cartridges with a drop-lock-print system in a lightweight, 0.7kg printer that can take a 1.8m fall and shocks without blinking.
