COMFORTABLE BRUSH

The wall-to-ceiling line, window frames, cupboards, furniture, and more...detailed painting is easier with the Wooster Shortcut. These tools pair a full-size brush head with a compact Shergrip® handle. Wooster-exclusive Shergrip is an elastomeric material with a soft, rubber-like feel. It provides a non-slip surface for improved grip—even on hot days. Shortcut handles also resist solvents, clean quickly, and won't warp, crack or peel.
