Drilling Machines

Bench Drill Press

BORUM
INDUSTRIAL WORKSHOP EQUIPMENT

Product Code: CHI6NT

This "Borum Industrial Drill Press" delivers precision and power... and is designed to handle the demands of a professional workshop environment. With a powerful long-life industrial quality 3/4 HP motor (that's fully enclosed in a durable metal hood) double-wide spindle bearings and a precision spindle, this is one very reliable drilling machine.

Equipped with 16 drilling speeds from 162 to 3,000rpm and a 16mm drilling capacity this robust and user-friendly drill press is ideal for a busy maintenance workshop or small production factory.

Perfect for fabricators looking for a drill press that's rugged enough to handle the demands of light and medium duty production work and accurate enough to consistently deliver precise results.

Features

- Flexible worklight
- Oversize micro-switch activated safety guard
- Engineering style work table
- Ergonomic handles
- Low-noise belt drive with cast iron balanced pulleys ensures low maintenance and quiet operation
- Safety ON-OFF switch fitted with a dust cover and positive action push buttons plus a large (Red) self locking "Emergency Stop" hinge cover
- Precision spindle bearing for long life and high accuracy
- Table control via hand crank and gear rack is robust with high load capacity
- Long quill stroke with easy to adjust depth stop at the capstan handle
- Thick-walled, precision-ground column for extra rigidity
- Powerful long-life commercial drive motor provides high reliability even at continuous loads
- Ground set-up areas on table and base plate
- Solid rotating work table with diagonal clamping slots
- Full range of Spare Parts available in Australia!

Specifications

- Motor: 240V 3/4HP
- Number of Speeds: 16
- Spindle Speeds: 162-3000rpm
- Maximum Drilling Capacity: 16mm
- Spindle Taper: MT2
- Chuck: 16mm
- Maximum Spindle Stroke: 78mm
- Swing: 350mm
- Maximum Distance from Spindle to Table: 433mm
- Maximum Distance from Spindle to Base: 610mm
- Diameter of Column: 73mm
- Diameter of Table: 290mm
- Size of Base: 440x250mm
- Overall Height: 1000mm
- Weight: 48kg
- Carton: 790 x 450 x 280mm

Drill Press Vice

Product Code: 7010T

Featuring a slotted base for easy positioning, the TradeQuip drill vice is designed for use with drill presses. Made of cast iron, this drill vice is ideal for engineering and industrial workshops.

Features

- Constructed of rugged cast iron
- Forge hardened steel serrated jaws
- Precision machined steel screw and handle
- Reinforced mounting lugs

Specifications

- Jaw Width: 125mm
- Jaw Opening: 100mm
- Throat Depth: 35mm
- Net Weight: 3.4kg
