PUMP STORAGE FLUID

Pump Armour

Storage fluid for airless pumps. Prime it through the pump after cleaning to stop corrosion, freezing and dried paint between jobs.

-34 °C
Freeze protection

950 mL
and 3.8 L bottles

All
Airless pumps

Features

- Stops rust and corrosion on the rod, cylinder and valves
- Keeps packings soft between jobs
- Dilute for overnight, run straight for storage over a week
- Used by GO Industrial in workshop servicing and stock storage
