Performance and Durability for the Pro.

1 ProXChange™ Pump Replacement System

The Do-It-Yourself Pump Repair System

In four simple steps, you can remove and replace the pump cartridge.

- ▶ No tools needed to remove pump
- ▶ Simply lift door to remove pump!

Slide & lift open access door

Remove pump section

Use frame hex fitting to loosen
pump and remove cartridge

Install new cartridge and
replace pump

2 PushPrime™

Assures fast priming every time—loosens stuck inlet check valve in case of priming issues.

PushPrime

3 ProXChange Piston Pump

Patented power-piston pump for greater reliability and long life.

Adjustable Pressure Control

4 Adjustable Pressure Control

Allows spraying or rolling a wide range of coatings.

5 Protective Chrome-Plated Stand

Easy to carry and prevents damage while transporting.

InstaClean Filter

6 InstaClean™ Filter

Added filtration to reduce tip clogging. Self cleans with pressure relief through drain valve.

7 Flexible Clear Tubing

Easy to use and clean. Spray water or solvent-based finishes directly from 1 or 5-gallon containers.

Direct Immersion Design

Draws paint directly from paint buckets.

Convenient Drip Cup

Eliminates the chances for paint drips.
