

LINELAZER · TWO MANUAL GUNS

LineLazer V 3900 vs LineLazer 130HS

Both run two manual guns on the same engine and carry a 3 year warranty. The main difference is the pump drive: mechanical on the 3900, hydraulic on the 130HS.

Which one suits

- 3900: lighter, with a digital display that tracks distance on each job.
- 130HS: hydraulic pump drive, simple gauge controls and a bigger tip on two guns.

• Warranty

Both carry a 3 year warranty on the pump, gun, engine, drive system, frame, electronics and factory-fitted hoses, plus spray tips on day-one delivery.
