

# PORTABLE LOCKOUT KITS

Lockout kits are ideal for maintenance crews that work across multiple locations. Brady lockout kits provide a portable solution for commonly used lockout devices for both individual and team requirements. Additional lockout kit components are also available to purchase separately.

## Electrician's Mini Lockout Kit

Ensure each electrician has the right components. Pouch has two small D-shackles and belt loops to attach to tool belts for portability. Made of heavy duty nylon.

848825	Electrician's Mini Lockout Kit

## Electrician's Mini Lockout Pouch

Circuit breaker lockouts are an effective and affordable solution for electrician's carrying out day-to-day work. Brady's lockout kit includes a combination of lockouts for older style breakers and more modern DIN style breakers, reducing the need to carry multiple kits.
