MARKWARE™ FACILITY IDENTIFICATION DESIGN SOFTWARE

SOFTWARE THAT ANTICIPATES YOUR NEEDS AS YOU DESIGN YOUR LABEL

MarkWare™ Facility Identification Software is the simple solution for do-it-yourself sign-making. Easy to use, your industrial signage can at last show its true potential for noticeable signs – created in-house, in colour, in minutes.

- Use your PC to quickly design professional looking signs and labels
- Print directly to a Brady labelling system or most Windows™ inkjet/laser printers
- Preformatted templates make sign and label creation quick and easy
- Customise label layouts to your own specs
- Import logos and photos or create barcodes using 15 different symbologies
- Link label contents to information stored in spreadsheet and databases

Primary Application:

Visit www.bradyID.com.au/markware for more information.

MARKWARE™ LEAN TOOLS FACILITY IDENTIFICATION SOFTWARE

Includes all of the features and functionality of MarkWare™ standard software, plus new tools to support and sustain your lean transformation. Post critical information at the point of use when implementing 5S, Total Productive Maintenance, Standard Work, Kanban, or other lean concepts.

- Circular Gauges
- Magnahelic Gauges
- Drive Train Belt Controls
- Liquid Level Indicators
- Directional Arrows and more...

ⓘ MARKWARE™ SOFTWARE NOW INCLUDES A GHS LABEL MODULE

- 18 pre-formatted label layouts and approved GHS symbols are built-in
- User selects approved pre-worded hazard statements and GHS symbols which then automatically populates into layout - no need to type everything in
- Prompts for additional variable data which then auto-populates into layout
- Choose a second language and MarkWare auto-populates in the second language
- Contains templates for BBP®31, BBP®33, Globalmark® and BBP®85 Printers.
