# KING<sup>®</sup> E-MAX XT<sup>™</sup>

## ELECTRIC AIRLESS SPRAYER

PATENT PENDING

### XT ELECTRIC MOTOR

- High-torque, low RPM design for maximum performance
- 230V-30A input power
- Zero-maintenance brushless design
- Designed and manufactured by Graco in the USA

### SMARTCONTROL™

- Advanced control offers consistent spray fan without fluctuations
- Single-knob pressure adjustment — nothing is easier
- WatchDog™ pump protection system automatically shuts down the pump when material runs out

### HEAVY-DUTY CART

- Designed for the toughest job site conditions
- Heavy-duty painted steel construction
- Flat-proof tires for maximum convenience

### DIRECT-IMMERSION ENDURANCE<sup>®</sup> PUMP WITH PROCONNECT™

- Chromex™ rod and stainless steel cylinder for maximum life and performance
- Direct-immersion design fits 5 gallon bucket, or use supplied suction set - you decide!
- Included in Endurance Advantage Program!
- ProConnect pump removal and replacement keeps you spraying

### REMOVE THE PUMP IN 3 EASY STEPS

1. Remove the hose and pin
2. Loosen star nut and open door
3. Slide pump out

### PRECISION DRIVE™

- Offers precise linear action for long pump life and no side loading
- Long stroke design with hardened steel construction is built to last
- Worry-free design requires little to no maintenance

**SOLUTIONS  
FOR EVERY  
JOB!**

#### KING E-MAX XT 40

Max Pressure: 4000 psi (276 bar)  
Max Flow: 4.0 gpm (15.1 lpm)  
Max Tip: .065

#### KING E-MAX XT 60

Max Pressure: 6000 psi (414 bar)  
Max Flow: 3.4 gpm (12.9 lpm)  
Max Tip: .059

#### KING E-MAX XT 70

Max Pressure: 7250 psi (500 bar)  
Max Flow: 2.9 gpm (10.9 lpm)  
Max Tip: .053
