QUICK INFORMATION GUIDE

The P17 single phase air compressor is one of the biggest machines on a 15AMP plug producing 320 litres per minute of free air delivery.

Comes with 2 outlets, one out from the water trap regulator and one directly out from the tank for full tank pressure. Built to last with solid puncture proof wheels. Having one of the largest warranties on the market, 5 Year Pump and 1 Year Warranty this puts your mind at rest when investing in a quality product.
