

Citrus 6000

Hyperactive Degreaser / Cleaner

Introduction

Citrus 6000 is a highly concentrated solution of surfactants and wetting agents with a slightly alkaline nature that has been designed to be used in a wide variety of cleaning situations. Because of the highly concentrated form supplied, it may be used as a degreaser or it may be diluted from 1:1 with water to 100:1 with water depending upon its intended task.

Citrus 6000 is a non regulated product and as such does not require any specific conditions of transportation.
