

RE-VIVE

Dashboard & Vinyl Trim Renovator

Description

RE-VIVE has been developed to revive tired plastics, rubber and wood. RE-VIVE leaves a pleasant and long-lasting fragrance. With added UV protection Re-VIVE provides protection against sun damage.

Suitable for use on plastic and vinyl, wood surfaces.

RE-VIVE is also antistatic which helps prevent dust build up.

Application

Spray evenly from a distance of approximately 20cm and wipe as required with a clean/dry lint free cloth.

Dilution / Package Size

Do not dilute. Use as is.

Package size	250gm
