

Fabric Protector

Fabric Treatment

Description

Sierra's Fabric Protector is a professional grade fabric protector that provides premium protection against spills and stains on fabrics. Fabric Protector works by holding spills and stains to the surface which enables them to be removed before causing stains. Fabric Protector has superb durability against wear and abrasion.

Application

Spray directly to the surface to be treated. Apply a couple of sprays to a cloth and wipe the sprayed surface. Allow to dwell for 20 min, then a second application with no wiping. Allow to dry

Package Size

Package size 5 Litre, 20 Litre, and 200 Litres
