

PAINT SPRAYERS & ACCESSORIES

PRODUCT GUIDE

PROVEN QUALITY. LEADING TECHNOLOGY.

The Brand Preferred by Pros

In 1958, Graco developed and manufactured the industry's first portable airless paint sprayer for professional painting contractors.

QUALITY, PERFORMANCE, RELIABILITY, AND PRODUCTIVITY

Graco paint sprayers are the leading choice of painting contractors and the best choice for DIYers. You'll find a wide range of industry-leading products in this guide, to streamline painting projects and deliver a professional finish.

Whether you're a pro or a beginner, if you can aim and pull a trigger, you can use these sprayers. With a few basic techniques under your belt, painting is fast and easy with the DIY and Project Series Sprayers — while Pro and Commercial Series Sprayers deliver the quality and performance that property maintenance professionals, remodelers and general contractors demand.

Fast: Spraying is up to 15x faster than brushing and up to 7x faster than rolling. If spraying is not an option, attach a power roller and you'll still cut your time in half. *(Production times based on application only.)*

Easy to set up, use and clean: All it takes to get going is a few simple steps, with no paint thinning, diluting, messy rollers, or trays. Built-in features make cleaning a breeze.

Professional finish: These sprayers deliver a reliably smooth, even finish that looks amazing.

Today, U.S. painting contractors prefer Graco sprayers 7 to 1 over the nearest competitive brand.

Frost & Sullivan Paint Contractors Choice Award for Overall Best Brands.

Graco's exclusive, TrueAirless technology delivers the ability to spray unthinned material—as intended by the paint manufacturer—and achieves the most consistent spray pattern for one-pass coverage. Same Pro Quality Finish as Graco's professional airless sprayers!

Exclusive TRUEAIRLESS Technology = Widest Pressure Range to Spray Thin-to-Thick Materials

TRUEPERFORMANCE™

No Thinning Required

Durable stainless steel piston pump delivers up to 3000 psi (207 bar) to spray the most challenging coatings

(ProX Piston Pump Shown)

TRUESPEED™

Fast, One-Pass Coverage!

Complete painting and staining projects faster than brushing or rolling

TRUECONTROL™

Minimal Overspray

NEW TRUEAIRLESS Spray Tip with SoftSpray Technology delivers a softer spray finish producing professional quality results

From DIY to Pro, there is a Graco sprayer designed for every project.

Answering these key questions will help you choose the right sprayer and tip size for your project:

- What types of projects will you spray?
- How many gallons sprayed each year? *(Estimate based on types of projects)*
- What materials will you spray? Refer to the tip chart on page 15-16 to determine the tip size needed for your material.

DIY SERIES

DIY Homeowners

- Fast and easy alternative to brush and roller
- Doors, trim, interior walls & ceilings, decks, fences, and small houses
- Spray up to 50 GAL/YEAR

PROJECT SERIES

DIY'er & Homeowner

- Small-to-midsize household projects
- Doors, trim, interior walls & ceilings, decks, fences, and houses
- Spray up to 125 GAL/YEAR

PRO SERIES

Maintenance Pros, Remodelers, and General Contractors

- Remodels and additions
- Large residential, apartments, town homes, remodels, and small commercial buildings
- Spray up to 800 GAL/YEAR

COMMERCIAL SERIES

Full-time Painting Pros

- Ultimate professional performance
- Residential repaints, property maintenance, rentals, and commercial buildings
- Spray up to 1500 GAL/YEAR

PAINT LIKE A PRO. TOP-SPEED PROCESS, TOP-NOTCH RESULTS.

Whether you're a hobbyist, fixer-upper, or absolute beginner, Graco's DIY Series sprayers deliver amazing results. You'll complete your project in half the time it would take using brushes and rollers. With Graco's patented technology you are able to handle thicker material without thinning, giving you a professional, flawless finish with just one coat.

DIY SERIES SPRAYERS

Easy-to-use sprayers for DIY home improvement projects such as doors, trim, furniture, interior walls and ceilings, decks and fences, and small houses.

TrueCoat® 360™ Single Speed

- **Stainless Steel Piston Pump** delivers high pressure power to spray unthinned paints
- **VacuValve™ Technology** allows you to spray in any direction, even upside down!
- Exclusive **32 oz FlexLiner™ Paint Bag** for fast cleanup
- Includes 2 Paint tips

TrueCoat 360 Dual Speed

- **Dual Speed Control** – low speed for more control, high speed to get the job done fast!
- **VacuValve Technology** allows you to spray in any direction, even upside down!
- Exclusive **32 oz FlexLiner Paint Bag** for fast cleanup
- Includes 4 tips (2 paint & 2 Stain)

TrueCoat 360 Variable Speed

- **Variable Speed Control** – dial in the precise spray speed to match your project – slow to fast!
- Exclusive **32 oz FlexLiner Paint Bag** – for fast clean up
- **VacuValve Technology** – allows you to spray in any direction, even upside down!
- **Stainless Steel Piston Pump** – delivers high pressure power to spray unthinned paints
- Includes 4 tips (2 paint & 2 Stain)

Project Painter™ Plus

- **Flexible Suction Tube** – sprays directly from 1 or 5 gallon containers
- **Adjustable Pressure Control** – easy control of paint flow
- **Power Flush™** connects to garden hose for fast and easy cleaning

PROJECT SERIES

TRUEAIRLESS PAINT SPRAYERS

PROJECT SERIES SPRAYERS

Designed to handle DIY'er & homeowner projects such as doors, trim, interior walls and ceilings, decks and fences, and houses.

GET PAINTING DONE ON TIME AND UNDER BUDGET.

The Graco Project Series sprayers make it easy for avid DIY'er & homeowner to power through midsize jobs with speed and finesse. The high-pressure pump delivers a finely atomized spray for a flawless professional finish. Move through your project in a fraction of the time you'd spend using brushes and rollers.

Magnum® X5

- **Delivers 13% More Performance** than the Project Painter Plus for spraying heavier coatings
- **Adjustable Pressure Control** – easy control of paint flow
- **Flexible Suction Tube** – spray directly 1 or 5 gallon paint containers

Magnum X7

- **Delivers 15% More Performance** than the X5 and supports larger spray tip for heavier coatings
- **Convenient Cart** – ideal for exterior applications to move the paint and sprayer around the job site
- **Flexible Suction Tube** – spray directly 1 or 5 gallon paint containers

42 oz FlexLiner Paint Bags – 17F005

Paint bags that can be reused or recycled for fast cleanup; 3-pack

42 oz Large Cup Kit – 17F518

Convert your 32 oz cup into a larger 42 oz cup for less refills

Paint Tip Kit – 18F520

Stain Tip Kit – 18F519

Includes narrow and wide tip and the color matched filter

Ultra Handheld

32 oz FlexLiner Paint Bags – 17A226

Paint bags that can be reused or recycled for fast cleanup; 3-pack

Ultra Handheld RAC X™ FF LP® SwitchTips™

Reversible spray tips deliver exceptional spraying results and make clearing tip clogs simple. Full range of sizes for use across all Ultra handheld applications. Only use with RAC X Guard. (246215)

Filters

17P554 60-mesh (3-Pack)

17P555 100-mesh (3-Pack)

Magnum/Pro210ES

DuraFlex Paint Hoses (3000 psi, 207 bar) and Connector

247338 4 ft x 3/16 in DuraFlex Whip Hose, provides more flexibility and increases operator control

247340 50 ft x 1/4 in DuraFlex Hose, includes Connector

243025 1/4 in x 1/4 in Connector

Tip Extensions

- Attach to any Graco airless spray gun to extend your reach
- Ideal for spraying ceilings, overhangs and decks

243040 10 in **243041** 15 in

243042 20 in **243043** 30 in

Heavy-Duty Extension – 243052

- 40 in extension connects directly to any Graco airless spray gun
- Extends reach when spraying or pressure rolling

Pump Armor™ Storage Fluid – 243104

Protects your pump when not in use. Simply fill your pump with Pump Armor and leave it in until you use the sprayer again. 1 qt

TSL™ Throat Seal Liquid – 206994

Use with your Pro210Es, to protect pump rod and packings. Not required for Magnum sprayers. 8 fluid oz

SG2™ Metal Spray Gun – 243011

- EasyAccess™ in-handle paint filter reduces spray tip clogs and improves finish
- Full trigger (4-finger) is comfortable when spraying for long periods of time
- Trigger pull is 30% lighter than competitors for easy operation and less fatigue
- Includes 515 TRUEAIRLESS spray tip and hand-tight, no-tools guard

SG3™ Metal Spray Gun – 243012

- Built-in swivel provides easy gun movement without tangling hose
- EasyAccess in-handle paint filter reduce spray tip clogs and improves finish
- Full trigger (4-finger) is comfortable when spraying for long periods of time
- Includes 515 TRUEAIRLESS spray tip and hand-tight, no-tools guard

Filters and Strainers

Remove unwanted debris and reduce spray tip clogs to improve finish.

288749 60-mesh Gun Filter

288750 100-mesh Gun Filter

288747 40-mesh InstaClean Filter

288716 Inlet Strainer for Magnum sprayers

245673 Inlet Strainer for Pro210Es sprayer

TRUEAIRLESS Spray Tips – TRUxxx

- Softer spray pattern with less overspray for an even, professional finish
- Reversible – clear spray tip clogs quickly with just a twist

Refer to the TrueAirless Spray Tip Chart on the next page on How to Choose the Right Spray Tip for your project.

Hand-Tight Guard – 237859

- Use with TRUEAIRLESS or RAC IV spray tips
- Hand-tight base – no tools needed to install or remove
- 7/8 in thread fits all Graco spray guns

Single Seal – 243004

- Provides a seal between gun and TRUEAIRLESS or RAC IV spray tip
- For use with latex and solvent-based materials

Pressure Roller Kit – 244512

- Attaches directly to spray gun – roll when you can't spray
- Eliminate the roller tray – simply trigger the gun for more paint and keep rolling

Pressure Roller Covers – 9 inch

Top-quality covers ensure a superior surface finish.

HOW TO CHOOSE THE RIGHT SPRAY TIP

Easy Spray Tip Selection

What material are you spraying?

The thicker the material the larger spray tip size you need

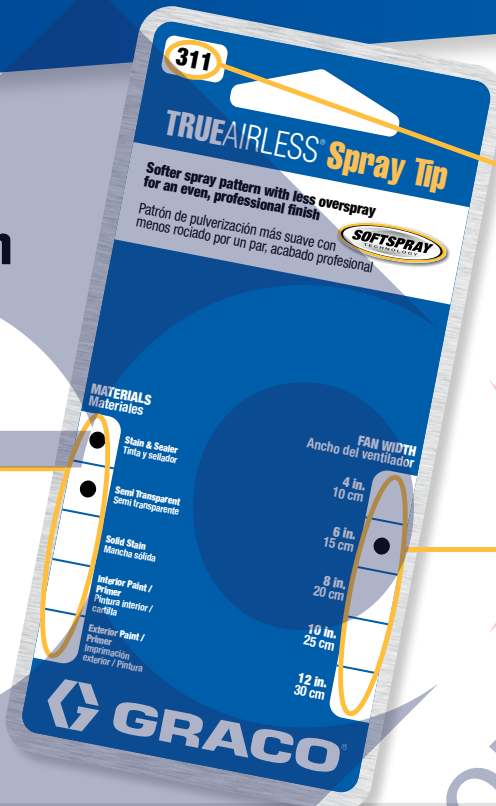

1

Narrow Spray Width for Smaller Projects

Wide Spray Width for Larger Projects

3

Confirm your sprayer can be used with your spray tip

2

What spray width is needed for your project?

MATERIAL	SPRAY WIDTH					SPRAYER COMPATIBILITY Each Sprayer Supports a Maximum Spray Tip Size
	4 in Spray Width	6 in Spray Width	8 in Spray Width	10 in Spray Width	12 in Spray Width	
Stain & Sealer	209	309				Project Painter Plus, X5, X7, ProX17, ProX19, ProX21, 210ES
	211	311	411			Project Painter Plus, X5, X7, ProX17, ProX19, ProX21, 210ES
Semi Transparent Stain	211	311	411			Project Painter Plus, X5, X7, ProX17, ProX19, ProX21, 210ES
		313	413			Project Painter Plus, X5, X7, ProX17, ProX19, ProX21, 210ES
Solid Stain	211	311	411			Project Painter Plus, X5, X7, ProX17, ProX19, ProX21, 210ES
		313	413			Project Painter Plus, X5, X7, ProX17, ProX19, ProX21, 210ES
Interior Paint/Primer		315	415	515		Project Painter Plus, X5, X7, ProX17, ProX19, ProX21, 210ES
			417	517		X7, ProX17, ProX19, ProX21, 210ES
Exterior Paint/Primer			415	515		Project Painter Plus, X5, X7, ProX17, ProX19, ProX21, 210ES
			417	517		X7, ProX17, ProX19, ProX21, 210ES
				519	619	ProX19, ProX21, 210ES
				521	621	ProX21, 210ES

Note: not all spray tips are stocked in store. Please go to graco.com/homeowner for full selection.
