

PHP40 Industrial Three Phase 720 LPM - Free Air Delivery

**HIGH
PRESSURE**

Features & Benefits

- Genuine 7.5HP Motor rating - NOT PEAK HP!
- Certified & registered Pressure Vessel to AS1210
- Manufacturer Data Report available on request
- Oval oil sight glass for easy identification of oil level
- Cast Iron Peerless Pump
- Fully copper wound motor
- 2 Air Outlets! 1 x 1/4" BSP, 1 x 1/2" BSP
- High pressure design perfect for a 3 - 4 person workshop
- A480 Stainless steel inlet & exhaust valves
- Compressed air to AS4637-2006 standard (Free Air Delivery)
- Pallet feet for ease of moving and mounting

Product Description

This 7.5HP Three Phase, three cylinder, two stage compressor is again similar to the PHP30 just with a larger motor and pump. It is a slow revving model as the pump only runs at 746RPM while giving a massive 720 litres of free air at 150PSI. We recommend this compressor to workshops with around 3 - 4 operators and is ideal for

mechanics and tyre fitters. If you require clean and dry air we have a complete range of refrigeration air dryers and inline filtration to keep your equipment in the best working order. If you require more air we recommend upgrading to our PHP52 which features the same pump only a bigger 10HP motor.

245KG

**PUMP UP TIME TO 100PSI:
1.25 - 1.30 MIN**

1500MM X 550MM X 1100MM

**WARRANTY
1 YEAR TOTAL UNIT**

Package Deals!

Air produced by reciprocating air compressor pumps have a higher discharge temperature than that of a rotary screw. Due to this it is important to oversize your refrigeration air dryer in order for it to effectively do its job. It is also essential to employ an oil / air separator in your compressed air system to ensure your dryer stays clear of any oil residue.

See Peerless Industrial Package Deals flyer for more details on all packages.

Air Tools

Able to run;

- Low & high pressure spray guns
- Truck Tyre Inflation Gun
- Stapling / fitting gun
- Framing nail / Grease gun
- Chalking gun / Riveter gun
- Screw driver
- 1/2" Ratchet gun / 1/2" Impact gun
- Air duster
- 4" Angle grinder
- 6" Orbital sander
- Air drill
- Engine cleaning gun
- Sand blasting gun
- Air hammer
- Hi torque 3/4" Impact gun
- 1/4" Die grinder
- Plasma Cutter
- Air Gauging Tool
- Post Hole Driver
